

CHAMBERLAIN & C<sup>o</sup>  
*Royal Porcelain Works*

*Heritage Garden Collection*

The Chinese, Worcestershire china and chinoiserie influenced Heritage Garden design features beautiful floral sprays that weave together around the shapes in the collection, interspersed with delicate vignettes of flowers and leaves. Each piece is decorated entirely by hand and features a rich palette of traditional ceramic colours including deep cobalt in-glaze blue, vivid iron red and a delicate rose pink; all exquisitely detailed with 23 carat gold.
